

Budbux - Web - Task #1267

Develop Map component and Payment component

06/19/2019 01:51 AM - Buddha Man Nepali

Status:	New	Start date:	06/18/2019
Priority:	Normal	Due date:	
Assignee:	Buddha Man Nepali	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	16.00 hours
Description			
Overview:			
1. Create a map component that will be responsible to display the pinned location and send pinned location's longitude and latitude to the server.			
2. Create a payment component that will be responsible to connect with PayPal and after connections pass nuance to the server
