

ThinkCulinary-Android - Bug #2383

Payment method - Delete alert and delete success message

06/02/2020 09:48 AM - Rakesh Shrestha

Status:	Reopen	Start date:	06/02/2020
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
lets alert with some alert dialog message as 'Are you sure want to delete the payment method?' with Yes/No option before delete.			
And also show with toast success message as 'Payment method deleted successfully' on delete success.			
Now, no any alert and success messages are shown.			

History
